**NOTE: Electronic swatches may not exactly represent the true color of a swatch!**

Due to the variances in the fabric, frequency of laundering and use, and differences in dye lots, **linens will vary in color from swatches or linens in our showroom or on our website.** These variances may be substantial, but there is no way to assure the exact color of linens. Unfortunately, we have no control over these variances, and cannot make any refunds based on color variations.

We can make many more options available to you with enough advance notice, so call to schedule a consultation with our linen specialist!
